

* Assignment *

- Define a problem statement and give a brief Executive summary snapshot
- A] Executive summary
 - B] Project Description
 - C] Project Scope

Problem:- Labour shortage or Inefficient workforce in Restraunt because of lack of manpower and less number of workers

A] Executive snapshot summary

1] Analysis :- Right now there are 15 workers in the Restraunt but it is not enough as everyone are assigned different chores in group like the waiters, the parcell boys, the cooks the utenciles washers, the delivery boys. This is not enough as we have approximately 400 to 500 customers which can't be handled because of lack of manpower. which results in customers dissatisfaction and false representation and decreassing reputation of restraurant.

2] Finding:- There is need of atleast 9 to 10 more workers which can result in less number chaos and handling of 500 customers can be done smoothly.

3] Scope:- Need to make a restaurant registered website in order to hire professional chefs, and waiters and receptionists and also advertise the employees needed for hiring.

4] Proposed Process:- The website we make should have the categories of positions, salary, there arrangement of shelter and Food.

B] Project Discription

1] Project Purpose:- To increase the restaurant rating and develop the Restaurants in to the ~~cap~~ Competative market field.

2] Current Solution:- Hiring of chefs, labour on a per day payment basis.

3] Challenges:- To bring workers from another states as they have numbers of problem staying here.

4] Why? Take the project:- It will eventually increase the number of customers and increase the profit after daily cost cutting.

c) Project Scope.

1) Project Specific Goals:- Increase the quality of food and the infrastructures professionals waiters and to create a peaceful environment.

2) Task:- Design a website of registered restaurant official to hire qualified and professional chefs and waiters. Upgrade to new ingredients, and provide the Employees a shelter and their food costs.

3) Deliverables:- Website and advertising for hiring and Employees and hire them from different states to add diversity in the food menu.

4) Costs:- Domain requirement = 2000

Servers requirement = 5000

Bill Boards and pamphlets = 5000

Total cost:- 12000

5) Deadlines:- It all should be done in coming 4 months.
